ALIGNMENT OF TIMELINE PROVISIONS UNDER SECTION 153 OF THE IT ACT

- ▶ Time limit for completion of assessment relating to the fiscal year commencing on or after the 1 April 2021 is proposed to be increased from 9 months to 12 months from the end of the fiscal year in which the income was first assessable. Similarly, time available for completion of assessment proceedings in case of an updated return is also proposed to be increased from 9 months to 12 months from the end of the fiscal year in which such return is furnished.
- ▶ Time limits provided for completion of assessment etc., shall be applicable to revision order also.
- ▶ It is also proposed that where an assessment or re-assessment is pending on the date of initiation of search etc., the time limit for completion of pending assessment or re-assessment shall be extended by 12 months.
- ▶ These amendments shall be made effective from fiscal year 2023-24.

MODIFICATION OF DIRECTIONS RELATED TO FACELESS SCHEMES AND E-PROCEEDINGS

- ▶ It is proposed to enable the Central Government to make modifications in the time limits already notified under various schemes where measures have been taken to make the process faceless and electronic.

RE-ASSESSMENT PROCEEDINGS

- ▶ Tax return in response to the notice initiating reassessment proceedings shall be filed within 3 months from the end of the month in which such notice is issued or further extended time as permitted by the tax officer. If the return is filed post the time allowed, it would be deemed that no return has been filed at all - effective from 1 April 2023

PREVENTING PERMANENT DEFERRAL OF TAXES THROUGH UNDERVALUATION OF INVENTORY

- ▶ To ensure that the inventory is valued in accordance with various provisions of law, it is proposed to amend section 142 of the IT Act relating to Inquiry before assessment to provide for the following:
 - Valuation of inventory by a cost accountant nominated by the prescribed authorities.
 - Expenses of and incidental to such inventory valuation (including remuneration of the cost accountant) shall be paid by the Central Government.
 - Taxpayer will be given an opportunity of being heard (except in case of best judgement assessment) in respect of any material gathered based on such inventory valuation.

ADMINISTRATIVE AMENDMENTS AND RATIONALISATION MEASURES

- Period for inventory valuation through the cost accountant to be excluded for the purposes of computation of time limitation for assessment and re-assessment.
- ▶ These amendments shall be made effective from fiscal year 2023-24.

INTRODUCTION OF THE AUTHORITY OF JOINT COMMISSIONER (APPEALS)

- ▶ To expedite the disposal of appeals pending with first appellate authority, it is proposed to introduce a new authority in the rank of Joint Commissioner/ Additional Commissioner [Joint Commissioner (Appeals)] to handle certain class of cases involving small amount of disputed demand. It is also proposed to provide for filing of appeal by the taxpayer against certain specified orders passed by an authority below the rank of Joint Commissioner (Appeals).
- ▶ This amendment shall be made effective from fiscal year 2023-24.

RATIONALISATION OF APPEALS TO THE TAX TRIBUNAL

Following amendments have been proposed:

- ▶ Appeal can be filed before the Tax Tribunal against penalty orders passed by first appellate authority.

- ▶ Appeal against order passed by Principal Chief Commissioner or Chief Commissioner can be filed before Tax Tribunal.
- ▶ Filing of memorandum of cross-objections is enabled in all classes of cases against which appeal can be made to the Tax Tribunal.
- ▶ This amendment shall be made effective from fiscal year 2023-24.

DECriminalisation of SECTION 276A OF THE IT ACT

- ▶ It is proposed that liquidators would not be liable to be prosecuted on or after 1 April 2023. The earlier prosecutions initiated under section 276A will however continue.

AMENDMENT TO SECTION 271FAA OF THE ACT

- ▶ The provisions of Section 271FAA of the Act provides for levy of penalty of INR 50,000 for furnishing inaccurate statement of financial transactions or reportable account.
- ▶ Finance bill 2023 proposes to amend the said provision by levying additional penalty on reporting financial institution for furnishing incorrect statement under section 285BA of the IT Act. The additional penalty of INR 5,000 shall be levied for every inaccurate reportable account based on false self certification provided by the account holders.

ADMINISTRATIVE AMENDMENTS AND RATIONALISATION MEASURES

- ▶ For the purpose of payment of tax as per updated return, interest shall be computed on an amount equal to the assessed tax as reduced by the amount of advance tax only once, the credit for which has been claimed in the earlier return, if any.
- ▶ This amendment shall be made effective from fiscal year 2022-23.

SET-OFF AND WITHHOLDING OF REFUNDS IN CERTAIN CASES

- ▶ Provisions of section 241A of the IT Act relating to withholding of refund is proposed to be merged with section 245 of the IT Act relating to set-off of refund against existing demand, to provide that where refund is due to a taxpayer, such refund shall be set-off against existing demand, and if proceedings for assessment or reassessment are pending in such case, the balance refund due will be withheld by the tax authorities till the date of assessment or reassessment.
- ▶ It is also proposed that interest under section 244A of the IT Act shall not be payable for the period from the date of withholding of refund till the date of completion of assessment.
- ▶ Section 241A of the IT Act is proposed made inapplicable from fiscal year 2023-24.

OTHER AMENDMENTS

BRINGING THE NON-RESIDENT INVESTORS WITHIN THE AMBIT OF SECTION 56(2)(VIIB) TO ELIMINATE THE POSSIBILITY OF TAX AVOIDANCE

- ▶ Any amount received from a resident by a company in which public are not substantially interested towards issue of shares, the amount in excess of fair value of shares shall be taxable in the hands of the investee company. It is proposed (with effect from FY 2023-24) that this provision shall apply to the amount invested by non-residents as well.

MECHANISM TO RESOLVE WITHHOLDING TAX CREDIT MISMATCH

- ▶ Amendment proposed to Section 155(20) of the IT Act to enable the tax authorities to pass orders revising assessment orders/ intimation providing credit for withholding tax where income is offered in the relevant fiscal year, but the subject withholding tax credit is deducted and remitted in the subsequent fiscal year by the vendor.
- ▶ To avail the above credit, the taxpayer needs to file an application in the prescribed form to the tax authorities within two years from the end of the fiscal year in which tax is deducted at source.

MODIFIED RETURN IN CASE OF BUSINESS REORGANISATION

- ▶ Section 170A of the IT Act provides for furnishing of modified return by the successor entity where the original return was furnished by it. It is now proposed that the return furnished by an entity to which reorganisation order applies can be modified by the successor entity.
- ▶ Further, it is also proposed to provide the procedure to be followed by the Tax Officer after the modified return is furnished by the successor entity.

COST OF ACQUISITION OF INTANGIBLE ASSETS

- ▶ The existing provisions of section 55 of the IT Act, define the terms 'cost of any improvement' and 'cost of acquisition'.
- ▶ In case of intangible assets or any sort of right for which no consideration is paid for acquisition, the cost of acquisition is not clearly defined as 'nil' under section 55. This has led to disputes and the courts have ruled against the tax department that in the absence of specific provisions to determine the COA the capital gains cannot be taxed as the computation mechanism fails.
- ▶ Therefore, it is proposed to amend section 55 to provide that the 'cost of improvement' or 'cost of acquisition' of a capital asset being any intangible asset or any other right shall be 'Nil'.
- ▶ This amendment shall be made effective from fiscal year 2023-24.

OTHER AMENDMENTS

ALIGNMENT OF SECTION 45(5A) WITH SECTION 194-IC

- ▶ Section 45(5A) of the IT Act seeks to tax capital gains on transfer of property by individual or HUF under a Joint Development Agreement (JDA).
- ▶ Currently, section 45(5A) of the IT Act provides that full value of consideration shall be taken as stamp duty value of a taxpayer's share as increased by consideration received in cash.
- ▶ Section 194-IC of the IT Act provides for withholding tax on consideration being any sum other than in kind.
- ▶ To ensure that taxpayers do not interpret the section 45(5A) of the IT Act to exclude any consideration other than cash, the section is now proposed to be aligned with section 194-IC of the IT Act to include 'any consideration received in cash or by cheque or draft or by any other mode'.
- ▶ This amendment shall be made effective from fiscal year 2023-24.

SPECIAL PROVISIONS FOR TAXATION OF MARKET LINKED DEBENTURES

- ▶ Income from transfer of Market Linked Debentures is currently taxed @ 10% as long-term capital gains without indexation.

- ▶ New section 50AA of the IT Act is proposed to be introduced to tax capital gains arising from transfer or redemption or maturity of Market Linked Debentures. It is proposed to treat full value of consideration to be reduced by:
 - Cost of acquisition of the debenture; and
 - Expenditure incurred wholly and exclusively in connection with such transfer or redemption or maturity.
 as short-term capital gains taxed at normal applicable tax rates.
- ▶ It is also proposed to define "Market Linked Debenture" as debt security where returns are linked to market and includes SEBI regulated/classified Market Linked Debentures.
- ▶ This amendment shall be made effective from fiscal year 2023-24.

PREVENTING MISUSE OF PRESUMPTIVE SCHEMES UNDER SECTION 44BB AND SECTION 44BBB

- ▶ Section 44BB and 44BBB of the IT Act provide for presumptive taxation schemes in the case of non-resident taxpayers carrying out eligible businesses such as mineral oils exploration, civil construction, turnkey power projects etc. Such taxpayers opt in and opt out of presumptive schemes to avail benefit of both presumptive scheme income and non-presumptive income. To avoid such misuse, it is proposed that non-resident taxpayers shall not be eligible to claim brought forward business loss and unabsorbed depreciation in case they adopt a presumptive taxation scheme under sections 44BB and 44BBB of the IT Act.

OTHER AMENDMENTS

CONVERSION OF GOLD TO ELECTRONIC GOLD RECEIPTS AND VICE VERSA

- ▶ To promote Electronic gold, it is proposed that conversion of physical gold to Electronic Gold Receipts (EGR) and vice versa are not be regarded as 'Transfer' for the purpose of capital gains.
- ▶ In case of conversion, the cost of acquisition to be:
 - From Physical Gold to EGR - cost of physical gold in the hands of EGR holder
 - From EGR to physical gold - cost of EGR
- ▶ In case of conversion, the period of holding to include the period of holding prior to conversion of the physical gold or EGR, as the case may be.
- ▶ This amendment shall be made effective from fiscal year 2023-24

EXEMPTION TO DEVELOPMENT AUTHORITIES ETC.

- ▶ Given the impact of the judgment of the Supreme Court of India (Note 1), it is proposed to exempt income arising to a body or authority or Board or Trust or Commission not being a company, established by or under a Central or State Act for a defined purpose (with effect from FY 2023-24). Such body needs to be notified by the Central Government in the official gazette.

Note 1 - Assistant Commissioner of Income-tax (Exemptions) vs. Ahmedabad Urban Development Authority in Civil Appeal No. 21762 of 2017

CHARITABLE TRUST/ EDUCATIONAL INSTITUTIONS

- ▶ Proposed amendments with respect to utilization of corpus and loan and borrowing of charitable trust / education institution - Effective from FY 2022-23
